Acknowledgment: I have read and understand the rollover rules and conditions on page 4 and I have met the requirements for making a rollover. Due to the important tax consequences of rolling over funds or property to an IRA, I have been advised to see a tax professional. All information provided by me is true and correct and may be relied on by the trustee. V. CLIENT SIGNATURE TO EXECUTE TRANSFER

TO THE TRANSFERRING FIRM NAMED:

Please be advised that, if I am transferring a retirement account, I have amended my retirement plan and have adopted a new retirement plan with Apex Clearing Corp. as successor trustee. Pursuant to said amendment, please transfer all assets in my account to such successor trustee.

I understand that to the extent any assets in my account are not readily transferable, with or without penalties; such assets may not be transferred within the time frames required by New York Stock Exchange Rule 412 or similar rule of the Financial Industry Regulatory Authority (FINRA) or other designated examining authority. Unless otherwise indicated, I authorize you to liquidate any non-transferable proprietary money market fund assets that are part of my account, deduct any outstanding fees due you, and transfer the resulting credit balance to Apex Clearing on behalf of Ally Invest or to the successor trustee. I understand that if I choose a method of disposition of such assets other than liquidation and transfer, I may become liable for payment of taxes and penalties with respect to such assets. I also understand that the transferring firm will contact me with respect to the disposition of any other assets in my account that are not transferable. I authorize you to deduct any outstanding fees due you from the credit balance in my account. If my account does not contain a credit balance, or if the credit balance in the account is insufficient to satisfy any outstanding fees due you, I authorize you to liquidate the assets in my account to the extent necessary to satisfy any outstanding fees due you. If certificates or other instruments in my account are in your physical possession, I instruct you to transfer them in good deliverable form, including affixing any necessary tax waivers, to enable the successor trustee to transfer them in its name for the purpose of sale, when and as directed by me. Upon receiving a copy of this transfer instruction, the carrying organization will cancel all open orders for my account on its books.

I affirm that I have destroyed or returned to you credit/debit cards and/or unused checks issued to me, if any, in connection with the account I have designated for transfer.

Rules And Conditions Applicable to Rollovers:

General Information

A rollover is a way to move money or property from one eligible retirement plan (e.g. IRA or Qualified Plan) to another eligible retirement plan. The Internal Revenue Code (IRC) limits how many rollovers may be taken, how quickly rollovers must be completed and how the Trustee or Custodian must report the transaction. By properly completing this form you are certifying to the Trustee or Custodian that you have satisfied the rules and conditions applicable to your rollover and that you are making an irrevocable election to treat the transaction as a rollover.

(Option One) TRADITIONAL IRA OR SIMPLE IRA ROLLOVER**I. TIMELINESS.**

The funds you receive from the distributing IRA must generally be deposited into another IRA within 60 days after you receive them. However, this SIMPLE IRA ROLLOVER period is 120 days for certain rollovers relating to first-home purchases. When counting the 60 (or 120) days, include weekends and holidays. The IRS has the authority to grant extensions to the 60 (or 120) day rule in cases where a hardship would be related (e.g., casualty, disaster, etc.). Receipt generally means the day you actually have the funds in hand. For example, the 60 days would begin on the day following the day you pick up the check from the Trustee or Custodian or you receive the check in the mail.

II. RMD ROLLOVER RESTRICTION

If this rollover is being made during or after the year for which you are required to begin receiving distributions, you cannot roll over any distribution to the extent that it is a required minimum distribution from the distributing plan. If the deceased IRA holder died after his or her required beginning date and you are the spouse beneficiary of a deceased IRA holder and you are rolling this IRA into your own IRA, you must make sure that the deceased's required minimum distribution for the year of death is removed from his or her IRA assets prior to the completion of the rollover.

III. TWELVE MONTH RESTRICTION

You are entitled to one distribution per year per IRA, which may be rolled over. Twelve (12) months must pass after receipt of one distribution which you roll over before you may take another distribution from the same IRA to roll over. The focus is on distributions out of an IRA. An IRA is created by executing a plan agreement, not by depositing a contribution into a separate investment within an existing IRA. You are entitled to roll over the same assets only once in a twelve (12) month period. Twelve (12) months must elapse between the time you receive a distribution of the assets to be rolled until you receive another distribution of those same assets for rollover purposes.

IV. SIMPLE IRA ROLLOVER RESTRICTIONS

You may roll funds from one SIMPLE IRA to another SIMPLE IRA if the timeliness and 12-month restriction discussed above have been met. In addition, a SIMPLE IRA may be rolled to a Traditional IRA provided two years have passed since you first participated in your employer's SIMPLE salary reduction arrangement.

(Option Two) QUALIFIED RETIREMENT PLAN OR TAX-SHELTERED ANNUITY TO IRA ROLLOVER**I. ELIGIBLE PERSON**

Only an eligible person may roll funds from a Qualified Retirement Plan (QRP), Tax Sheltered Annuity (TSA or 403(b)), or 457(b) deferred compensation plan into an IRA. You will only be an eligible person if you were or are a participant in the distributing plan, the surviving spouse beneficiary of a deceased participant, or the alternate payee identified in a Qualified Domestic Relations Order (QDRO). A QDRO is a domestic relations order issued in a divorce proceeding which meets certain conditions and which grants to an alternate payee (e.g. ex-spouse) the right to receive all or a portion of a participant's benefits under a QRP. If the alternate payee is a spouse or former spouse, the alternate payee can roll all or a portion of the amount received to an IRA.

II. ELIGIBLE PLAN

A distribution will not be eligible to be rolled over unless that distribution is made from an eligible plan. An eligible plan is one that is qualified under IRC Section 401(a), (including 401(k) plans), 403, or 457(b). Eligible plans include defined benefit plans, profit sharing plans, money purchase plans, 401(k) plans, tax sheltered annuities, 457(b) deferred compensation plans, and employee stock ownership plans.

III. ELIGIBLE ROLLOVER

Only certain types of QRP, TSA, or deferred compensation plan distributions, called "eligible rollover distributions," may be deposited into an IRA. Eligible rollover distributions include most distributions from eligible plans except the following.

Required Minimum Distributions - Distributions which represent required minimum distributions paid during a participant's first distribution calendar year or later may not be rolled over.

Substantially Equal Periodic Payments - For purposes of determining an eligible rollover distribution, substantially equal periodic payments are defined as a series of substantially equal distributions made not less frequently than annually and calculated

1) over the life (or life expectancy) of the individual or the joint lives (or life expectancies) of the individual and the individual's beneficiary
or

2) for a period of 10 years or more.

Death Benefit Exclusion Amounts - If you are a surviving spouse beneficiary and your spouse died before August 21, 1996, a portion of your distribution may qualify for the Death Benefit Exclusion Allowance. You may not roll over any portion of your distribution which qualifies for the Death Benefit Exclusion Allowance. **P.S. 58 Costs** - If you received distribution of a life insurance policy from a plan, the amounts attributable to the cost of life insurance purchased by the plan which have been previously taxed to the participant may not be rolled over. If property other than cash is distributed, only the same property or the proceeds from its sale may be rolled over. If you receive property but wish to roll over cash, you must actually sell the property and roll over the proceeds.

Hardship Distributions - Distributions taken on account of financial hardship are not eligible to be rolled over.
