

Ally Auto Care Plus.

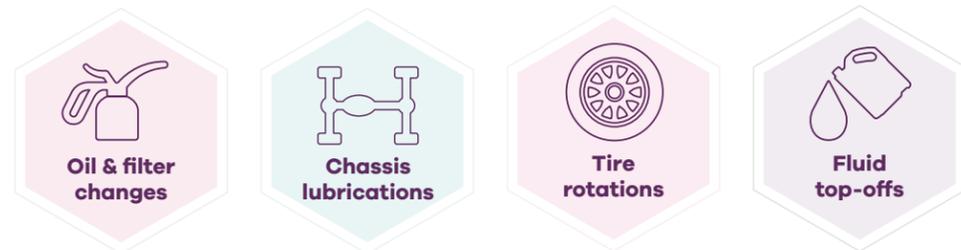

Plug in to the future of auto maintenance protection.

As new automotive technology continues to emerge, so do the vital components that require routine scheduled maintenance. **Ally Auto Care Plus™** has you covered on the essentials, then raises the bar by adding next level enhanced maintenance services for most vehicle types, including **hybrids** and **EVs**.

With Ally Auto Care Plus, you'll drive with added assurance knowing that you're backed by critical coverage on the newer technology that powers your wheels, including:

- Battery Cooling System for EVs and hybrids
- Transmission/Drive Unit Service
- Brake Pads & Brake Rotors (1 replacement per axle over the contract term)
- Lube Oil Filter (Gasoline/Diesel & hybrid vehicles only)
- Tire Rotations
- Fluid Top-offs
- And much more!

Ask your dealer representative for complete product details.

Put routine maintenance on auto pilot.

Ally Auto Care Plus makes planning and budgeting for these maintenance services easier than ever by helping you lock in the costs upfront. So, relax and enjoy features that include:

- Selecting the **time and mileage** option that suits your specific driving needs with several time options ranging from **12 to 84 months** of coverage.
- The ability to purchase coverage for both in-warranty and out-of-warranty vehicles.
- Maintenance services performed at your selling dealership by the experts who know your vehicle.¹
- A full refund is available if you cancel within 60 days of purchase and if you've made no claims.²
- **Transferable** to a new owner upon sale of the vehicle (administrative fee may apply).

Enhanced maintenance for any type of ride.
