Certification of Taxpayer Identification Number (Form W-9 or W-8BEN)

A Certification of Taxpayer Identification Number Form W-9 or W-8BEN is required for each Trust, Grantor, and Trustee who doesn't currently have an existing account at Ally Bank. Depending on your taxpayer status, each Trust, Grantor, and Trustee must complete the appropriate W-9 or W-8BEN form.

- Resident – You're a resident of the United States for tax purposes if you a) are a U.S. citizen, b) meet the green card test, or c) meet the substantial presence test. If you're a resident, you must complete, sign, and return the attached form labeled W-9. Criteria for the green card and substantial presence test can be found at IRS.gov.
- Non-Resident – If you don't meet any of the Resident criteria above, then you're not considered a U.S. non-resident for tax purposes. If you're a non-resident for tax purposes, you must visit IRS.gov and download Form W-8BEN. Complete, sign, and attach the Form W-8BEN with your application.

FORM W-9 TAXPAYER IDENTIFICATION NUMBER (TIN) CERTIFICATION (Not applicable for Non-Resident Aliens):

For individuals the TIN is your Social Security Number or Individual Tax Identification Number (ITIN) which should match the first name listed on the account and will be used for tax reporting purposes. For other entities, it's your Employer Identification Number.

A. Social Security Number or Employer Identification Number:

B. Certification - Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I'm waiting for a number to be issued to me); and
2. I'm not subject to backup withholding because: (a) I'm exempt from backup withholding, or (b) I haven't been notified by the Internal Revenue Service (IRS) that I'm subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I'm no longer subject to backup withholding; and
3. I'm a U.S. citizen or other U.S. person (including a U.S. resident alien); and
4. The FATCA code(s) entered on this form (if any) indicating that I'm exempt from FATCA reporting is correct.

Ally Bank doesn't collect Foreign Account Tax Compliance Act (FATCA) exemption codes. We're required by law to include the aforementioned certifications, but note that number 4 doesn't apply.

Backup Withholding Instructions

You must check off the box to the right if you've been notified by the IRS that you're currently subject to backup withholding because you've failed to report all interest and dividends on your tax return.

The Internal Revenue Service doesn't require your consent to any provision of this document other than the certifications required to avoid backup withholding.
