

Tap into the power of SmartAuction whenever you want, wherever you are. Many of the great SmartAuction features you've been accustomed to can now be harnessed in the palm of your hand. This powerful mobile app for iPhone® and Android™ phones will enable you to conduct business when you're on the move. Take advantage of the following mobile app features:

VEHICLE SEARCH

- Conduct basic and advanced vehicle searches nationwide
- Access saved searches from your profile
- Search for newly listed vehicles

SEARCH RESULTS

- Display key vehicle information and details
- Sort search results based on preference including date and time
- Add vehicles to your bid list

VEHICLE DETAILS

- View vehicle images, conditions and damage disclosures
- View vehicle equipment and accessories
- Review wholesale guide book values

BID LIST

- Place a Bid, AutoBid, Buy Now or Make an Offer. And now, place an AutoBid outside live auction hours

OFFERS

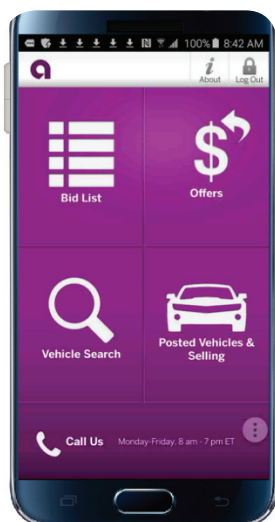

- View and respond to pending offers as a buyer or seller
- Submit private messages to buyers or sellers while negotiating

VEHICLES POSTED

- Sellers can update vehicle price and auction status

ADDITIONAL FEATURES

- Order transportation
- Print or e-mail Authorization Report

Put this powerful tool to work for your business today! The SmartAuction Mobile App is free and can be downloaded directly from the App StoreSM or Google Play Store, or on your iPhone® by simply searching for "SmartAuction." Contact us at **877-273-5572** for additional information.
