NOTE: Road conditions (for example, uneven lanes due to repaving or metal plates used to temporarily cover a hole in the road) found in areas designated as construction zones or construction sites will NOT be considered a covered ROAD HAZARD. Damage from these conditions or any accident should be reported to YOUR automobile physical damage insurance company. **Coverage is limited to the manufacturer's original equipment tires and wheels or comparable or like replacements as deemed necessary by OUR ADMINISTRATOR.** Tires are eligible for repair or replacement down to three/thirty-seconds of an inch (3/32") tread depth. Aftermarket wheels are generally discontinued after a certain time period. It is the responsibility of the repair facility (or the customer) to locate a replacement. If a matching replacement cannot be found, a cash settlement will be made to the CONTRACT HOLDER in the amount for which the original damaged wheel was purchased.
