What’s Covered

All of these components (and more) are 100% covered by Flex Coverage.

**Engine**
- All internal lubricated parts
- Manifold: intake and exhaust
- Flywheel
- Harmonic balancer
- Camshaft bearings
- Cylinder block and heads
- Engine mounts
- Water pump
- Valve train
- Turbocharger and Supercharger housings and all internal parts

**Transmission / Transaxle / Transfer Case**
- Transmission case and all internal parts
- Torque converter
- Transmission mounts
- Bands
- Electronic control unit
- Throttle valve cable
- Governor
- Automatic transmission clutches
- Washers
- Linkage

**Front / Rear-Wheeled-Drive Components**
- Disc or cone-limited slip
- Tri-pod joints
- Differential, bearings and case
- Seals and gaskets
- Final drive component and all internal parts
- Wheel bearings (front / rear)
- Axle supports
- Differential side, pinion gears
- Drive axle housing and all internal parts (front / rear)
- Propeller shafts
- Constant velocity joints
- Axle supports
- Differential side, pinion gears
- Drive axle housing and all internal parts (front / rear)
- Axle shafts and axle shaft bearings (front / rear)
- Locking hubs
- Drive axle housing and all internal parts (front / rear)
- Drive axle housing and all internal parts (front / rear)

**Fuel Delivery Components**
- Fuel pump
- Fuel injectors
- Throttle body
- Diesel fuel injection pump
- EFI sensors / control units
- Seals and gaskets
- Fuel lines, metal
- Vacuum pump
- Nozzles
- Fuel rail
- Fuel tank and cap

**Heating & Air Conditioning Components**
- A/C compressor
- Compressor clutch and bearing
- Condenser
- Evaporator
- Accumulator
- Seals and gaskets
- Pulley
- Heater core
- Pressure cycling switch
- Temperature control programmer
- Expansion valve
- Orifice tube
- Receiver dryer
- Automatic temperature control
- Blower motor
- Switches
- High / low pressure compressor cutoff switch

**Suspension**
- Upper and lower control arms
- Upper and lower ball joints
- Stabilizer shaft and bushings
- Upper mount and bearing
- Seals
- Steering knuckles
- Leaf springs
- Struts
- Coil springs
# What's Covered

## Electrical, Computer & Audio Components
- Alternator / generator
- Voltage regulator
- Starter motor and solenoid
- Manually operated switches
- Wiper motor, front and rear
- Electronic level control compressor sensor and control
- Wiring harnesses
- Electronic ignition module
- Ignition lock and switch
- Radio
- Power Antenna
- Electronic instrument cluster and diagnostic displays
- Power door locks and actuators
- Fuel gauge sending unit
- Switches
- Power window motors
- Electronic spark control detonation sensor and control

## Steering Components
- Power steering pump
- Rack and pinion
- Steering column and all internal parts
- Electronic power steering motor and control module
- Tie rods
- Seals and gaskets
- Tilt wheel mechanism
- Steering gear housing and all internal parts
- Idler arm
- Steering shaft couplings
- Pitman arm

## Braking System Components
- Master cylinder
- Wheel cylinders
- Combination valve
- Seals and gaskets
- Assist booster
- ABS electronic control module
- Accumulator
- ABS sensors
- Disc brake calipers
- Hydraulic lines and fittings
- Self-adjusters
- Pressure modulator valve / dump valve

## Engine Cooling Components
- Water pump
- Radiator fan electric motor
- Radiator fan relay
- Radiator
- Seals and gaskets
- Radiator fan and clutch
- Thermostat and housing

## High-Tech Components
- Navigation systems (factory-installed)
- Anti-theft alarms (factory-installed)
- Infrared display
- Power sunroof
- Compass and thermometer
- Keyless entry (factory-installed)
- Heated seats
- Ride control suspensions
- Heads-up display
- Traction control component
- Dual climate control
- Factory telematics systems hardware (e.g. OnStar)

## Safety Components
- Air bags
- Safety belts components
- Backup cameras (factory-installed)
- Air bag sensors
- Door lock components
- Crash avoidance / lane departure sensors
- Air bag wiring harness
- Reverse warning signal
