

# ally Vehicle Return Checklist

Use this checklist to keep track of your lease-end tasks before returning your vehicle to the dealership.

## Request a quote

Keep in mind, the payoff estimate won't account for any excess wear or mileage charges, and may not include charges for daily extension fees, early termination fees, unpaid summonses, and taxes.

- Log in to Ally Auto Online Services
- Go to **Payments** from your **Snapshot**, or **Manage Account** from your account details
- Choose **Request a Quote**

## Excess mileage

- Refer to your lease agreement for the mileage you agree to when you signed your contract
- Compare your current mileage to what's allowed on your lease contract
- If your odometer reading is higher, we may charge you for the excess

## Excess wear

Use the Wear Square to get an idea of any excess wear charges you may need to pay after you return your vehicle.

## Before visiting the dealership

Contact your local (or original) dealer to arrange for turning in your vehicle. Remember to bring all original equipment, including:

- Keys, including extra sets
- Keyless entry remotes
- Navigation system DVDs
- DVD player
- DVD remote
- Headphones
- Cargo Covers
- Third-row seats
- Original documents, including owner's manual

## At the dealership

- Sign an odometer statement to document current mileage as required by federal law
- Pick out your next ride and ask your dealer if you qualify for Ally financing

## After turn-in

- Call us at 1-888-925-2559 and let us know you returned your vehicle
- Review the letter we send detailing any remaining amounts you owe
- Contact your DMV to determine if your state requires you to return your license plate at lease end
- Enjoy your next roadtrip
