Section 2 - New Additional Account Owner Information

To be completed by the new joint account owner

To help the United States government fight terrorism and money laundering, federal law requires us to obtain, verify, and record information that identifies each person who is an owner of an account. We will ask for your name, a street address, date of birth, and an identification number, such as a Social Security number. We may also ask to see your driver's license or other identifying documents that will allow us to identify you.

We only open accounts for legal U.S. residents. By signing and submitting this application, you are acknowledging that you are a U.S. citizen or resident alien of the U.S.

If you have a freeze on your credit as a feature of credit security monitoring, we may contact you to lift the freeze temporarily to verify your identity.

You authorize us to contact you by using any telephone number you provide to us, including a mobile or cell phone number that you are authorized to use. In addition to manual calling, we may use text messages, prerecorded or artificial voice messages, or automatic dialing systems. We will not charge you for any contact, but your mobile phone service provider may.

I am an existing Ally Bank account owner and would like to use my information already on file. Please complete only Name, Social Security Number, and Date of Birth information below. Please continue to section 3.
