If this Agreement conflicts with any other agreements related to your Eligible Account or Online Banking Service, or the other agreements include terms that are not addressed in this Agreement, then the other agreements will control and take precedence, unless this Agreement specifically states otherwise. The other agreements will only control with respect to the Eligible Account or Online Banking Service with which it is associated, and only to the extent necessary to resolve the conflict or inconsistency. Additional provisions of other agreements regarding your Eligible Account or Online Banking Service that do not appear in this Agreement will continue to apply.

## **C. Accepting the Agreement and Future Changes**

Except as otherwise required by law, we may in our sole discretion change the terms of this Agreement from time to time and at any time. This may include adding new or different terms, or removing terms from this Agreement. When changes are made we will update this Agreement on the Website. The Website will be updated on or before the effective date of the revised Agreement, unless an immediate change is necessary as required by law or to maintain the security of the Website or for other legal reasons. We may rely and act on the instructions of any Authorized Account Owner. If we provide notice to one Joint Owner, all Joint Owners are deemed to have received notice. Access to certain Online Banking Services may require Joint Owners to have a unique username, password and other security devices or credentials that may be required by us.

### *Additional Joint Accounts*

Any Joint Owner (for purposes of this paragraph, the "Primary Joint Owner") may open a new Joint Account with another Joint Owner (for purposes of this paragraph, the "Secondary Joint Owner") with whom the Primary Joint Owner already owns an existing Joint Account (as of the date of such new Joint Account opening). The Primary Joint Owner is specifically permitted to open the new Joint Account on behalf of the Secondary Joint Owner, without their direct involvement. You must comply with any security procedures and policies we may establish from time to time.

- **Authorized Transactions:** You agree to safeguard your username, password, other security devices or credentials and your Account number(s). If you give someone your Online Banking Service username, password and/or other security devices or credentials, you are authorizing that person to use the Online Banking Service in your name, and you are responsible for all transactions the person performs using your Online Banking Service username, password and other security devices or credentials. All transactions performed by that person, even those transactions you did not intend or want performed, are authorized transactions.

## **D. Ally eCheck Deposit<sup>SM</sup> Agreement**

Ally eCheck Deposit allows you to make deposits to your Ally deposit account remotely by making images of checks and transmitting images of such checks to us in compliance with our requirements. If we accept the image for deposit, we will then present the item for payment to the payor bank by presenting the image or converting the image to a substitute check. Unlike traditional check deposits, you retain the original paper check when you use eCheck Deposit. The manner in which these substitute checks or images are presented for payment will be determined by us in our sole discretion.

### **1. Eligibility for eCheck Deposit**

We will determine whether you are eligible for our eCheck Deposit service in our sole discretion. We may suspend or terminate your use of eCheck Deposit at any time and without prior notice to you. If you violate the terms of this eCheck Deposit Agreement, then we also may use such actions as a basis to terminate your account relationship with us.

### **2. eCheck Deposit Fees**

There is no charge for eCheck Deposit, but other fees, such as for returned items and overdrafts, may apply. See our Service Fee Chart in the Ally Bank Deposit Agreement.

### **3. Limits**

We may impose limits on the dollar amount or number of deposits you make through eCheck Deposit and such limits shall be provided to you when you access eCheck Deposit. We may change such limits at any time at our discretion.

### **4. Technical Requirements**

You agree that in order to use eCheck Deposit, your computer, scanner, mobile device and other equipment must meet the current technical requirements we specify, as such may change from time to time, and you must have access to the internet. When using eCheck Deposit you may experience technical or other difficulties, including, without limitation, problems with your scanner or transmission problems. We are not responsible for the result of such technical or other difficulties. In particular, each image of a check you attempt to deposit using eCheck Deposit must be legible, as determined by us. If your scanning equipment or mobile device produces check images that we determine are not of acceptable quality, we may reject your deposit. We are not responsible for problems arising out of your equipment or internet connections even if you are using equipment that meets our technical requirements.

### **5. Prohibited Checks**

We may decline to accept any image of a check you submit through eCheck Deposit in our sole discretion. Without limiting that discretion, you agree that you will only seek to deposit "checks," as that term is defined in the Federal Reserve's Regulation CC, 12 C.F.R. Part 229. You agree that you will not scan and attempt to deposit any of the following:

1. Checks containing alterations to any of the fields on the front of the check;
2. Checks that have been previously deposited at another institution via physical item, image or electronic funds transfer;
3. Checks from financial institutions located outside of the U.S.;

4. Checks that are not payable in U.S. dollars;
5. Substitute checks (as defined in the Federal Reserve's Regulation CC, 12 C.F.R. Part 229);
6. Travelers checks, savings bonds, money orders or postal money orders;
7. Non-negotiable instruments.

## **6. Your Representations and Warranties**

Each time you scan or photograph and submit check images of the front and back of the original check for deposit through eCheck Deposit, you represent and warrant that:

1. Each check image is a complete and accurate representation of the front and back of a negotiable check;
2. The image is NOT of any of the prohibited items listed in Section 5 above;
3. Each check image satisfies our image quality standards, as specified by us from time to time;
4. The original check used to create the image has not been previously deposited, cashed, duplicated or used to create another image or electronic fund transfer; and
5. The original check or an image created from the original check will not in the future be deposited, cashed, duplicated or otherwise used to create another image or electronic fund transfer.
6. No subsequent transferees of your check image, or any substitute check created from your check image, including but not limited to Ally, a collecting or returning bank, drawer, drawee, payee or endorser, shall sustain a loss as the result of the fact that the check image or substitute check was presented for payment or returned instead of the original paper check.

Each time you scan or photograph and submit check images for deposit through eCheck Deposit, you also make all the warranties set forth in and subject to the terms of Section 70A-4-207 of the Utah Revised Code Uniform Commercial Code (UCC) for the image as if it were an item subject to the terms of the UCC, including:

- (a) you are entitled to enforce the image;
- (b) all signatures on the image are authentic and authorized;
- (c) the image has not been altered;
- (d) the image is not subject to a defense or claim in recoupment of any party which can be asserted against you;
- (e) you have no knowledge of any insolvency proceeding commenced with respect to the maker or acceptor or, in the case of an unaccepted image, the drawer. In addition to these warranties, you covenant that you will comply with this eCheck Deposit Agreement and applicable law.

## **7. Indemnification**

In addition to the other indemnification provisions set forth in this Agreement, you agree to indemnify, defend and hold us harmless from and against any and all claims, demands, damages, liabilities, expenses (including reasonable attorneys' fees) or other loss that arises from or relates to your use of eCheck Deposit or your breach of the representations, warranties or

covenants set forth in these eCheck Deposit Terms, including without limitation your attempt to duplicate the presentation of a check image via presentation of the original check or an image or substitute check derived from the original check and any liability that we may incur for processing an image or substitute check rather than the original paper check.

## **8. Endorsement**

For any check deposited as an image through eCheck Deposit, you must provide any necessary endorsement(s) on the check before you scan or photograph the check. Checks received that are not properly endorsed may be rejected for deposit. We recommend that you restrictively endorse the check. For example, we recommend that a check payable to the order of John Smith be endorsed: John Smith For Mobile Deposit Only.

## **9. Receipt of Check Image**

We are not responsible for check images we do not receive or that are dropped during transmission. A check image will be deemed received by us only when we provide an online confirmation receipt to you that we have received your check image. When we confirm receipt of your check image, the image will still be subject to review before we present it for payment and may still be rejected by us for any reason in our sole discretion. A confirmation is not a representation, warranty or other indication that the check image will be presented for payment or will be honored by any paying bank. If we reject a check image received through eCheck Deposit, then you may submit the original check by mail to us for processing unless we instruct you otherwise. If you do submit the original check for processing, we reserve the right to refuse to process it.

## **10. Retention of Original Check**

Once your check image has been credited to your account, you must retain the original check for sixty (60) days; and then destroy it or mark it "VOID" or in some other way as to prevent its negotiation. You may not present the original check or any image or substitute check created from the original check for payment at any other financial institution. During this 60-day period, you must store the original paper check securely using precautions at least as secure as those you would use to protect a blank check and you must make the original paper check available to us for review at any time and as necessary for us to facilitate the check collection process, to address third party claims, or for our own audit purposes. Should you fail to produce the original paper check, you authorize us to deduct the amount of the check in question from your account, regardless of whether such action may cause your account to not have sufficient funds, and to pay any associated fees.

## **11. Return Items**

You understand that we may convert items you deposit through eCheck Deposit into substitute checks, images, or ACH entries. As a result, in the event that your item is returned unpaid, you will only receive a copy of the substitute check or image, or in the case of ACH entries, the Automated Clearinghouse information.

## **12. Funds Availability**

We generally apply the Funds Availability Schedule found in the Ally Bank Deposit Agreement to check images received through eCheck Deposit as if we had received the original paper check. However, in addition to the exceptions specified in the Funds Availability Schedule, we may delay availability of funds from any deposit you make through eCheck Deposit at any time in our sole discretion, including due to any concern we may have regarding our ability to collect based upon any check image that you present.

### **13. Acceptable Use of eCheck Deposit**

You must fully comply with the terms of this eCheck Deposit Agreement and all applicable law when you use eCheck Deposit. If you breach any of the terms of the eCheck Deposit Agreement, we may immediately terminate your authority to use eCheck Deposit. You may use eCheck Deposit only for personal, family and household services and not business purposes.

### **14. No Warranty**

YOUR USE OF ECHECK DEPOSIT IS AT YOUR SOLE RISK. ECHECK DEPOSIT IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. WE EXPRESSLY DISCLAIM ALL WARRANTIES OF ANY KIND AS TO ECHECK DEPOSIT, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT.

### **15. Limitation of Liability**

We will not be liable for any direct, special, indirect punitive or consequential damages, including without limitation lost profits or revenues resulting from your use or inability to use eCheck Deposit, even if we are advised in advance of the possibility of such damages.

We have partnered with the Zelle Network® ("Zelle") to enable a convenient way to transfer money between you and other Users using aliases, such as email addresses or U.S. mobile phone numbers ("Zelle Payment Service," as further described below).

*Zelle* provides no deposit account or other financial services. *Zelle* neither transfers nor moves money. You may not establish a financial account with *Zelle* of any kind. All money will be transmitted by a Network Financial Institution. THE ZELLE PAYMENT SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE ZELLE PAYMENT SERVICE OR OTHER PAYMENT SERVICES TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. The term "Zelle and Other Payment Terms" means these Zelle and Other Payment Services Additional Terms.

In addition to the Zelle Payment Service, we provide other payment services under these Zelle and Other Payment Terms. First, these additional services allow you to send money to people if you provide the Eligible Account information and other contact information for the Receiver; such transactions are not sent via Zelle. Second, outside Zelle, we allow you to establish a one-time payment for a payment recipient for which processing shall be initiated at a later specified date up to one (1) year. Third, outside Zelle, we enable you to establish a recurring series of payments to a payment recipient for which processing shall be initiated on dates you specify. These three payment services and any other payment services that we provide under these Zelle and Other Payment Terms are referred to as "Other Payment Services" in these Zelle and Other Payment Terms. Although future-dated payments and recurring payments are outside Zelle, we may ultimately send those transactions via Zelle when the applicable date of payment arrives, in which case the applicable payment transaction is part of the Zelle Payment Service, not the Other Payment Services. The term "Zelle and Other Payment Services" means the Zelle Payment Service and the Other Payment Services.

The Zelle and Other Payment Services enable you:

- to initiate a Payment Instruction from an Eligible Account to an account at a U.S. financial institution; and/or
- to receive a payment from another User into an Eligible Account, in U.S. dollars.

All payments and receipts of payments must be made through the Website or the Mobile Application and are subject to the terms of this Ally Bank Online Banking Services Agreement (these "Terms") and applicable laws and regulations, in each case as in effect from time to time.

In some instances, receipt of payments may be made through other locations besides our mobile application or Website, such as:

- the Zelle Pay Web site at <http://www.zellepay.com> or
- the Zelle mobile handset application ("Zelle Standalone Locations") and if you choose to initiate or receive a payment at a Zelle Standalone Location you acknowledge and agree that you shall be subject to the terms of other agreements, including, but not limited to, the "terms of use" for the Zelle Standalone Locations and applicable laws and regulations, in each case as in effect from time to time. Subject to these Terms, the Zelle and Other Payment Services are generally available 24 hours, seven days a week with the exception of outages for maintenance and circumstances beyond our or Zelle's control. Live customer service generally will be available Monday through Friday, excluding U.S. bank holidays.

The Zelle Payment Service allows for the delivery of payments to Receivers who are also enrolled in the Zelle Payment Service through a Payment Network designed to deliver payments on the same day and potentially within minutes, although actual speed will vary, as described below. The Zelle and Other Payment Services are not instantaneous. Payment delivery speed and funds availability may vary based upon the fraud, risk and other funds availability policy of each financial institution and Payment Network availability. We are not responsible for the performance, speed, or other acts or omissions of the Payment Networks that may be involved in the transmission of a payment. We shall not be obligated to comply with the Automated Clearinghouse (ACH) Rules in such recovery efforts or otherwise in connection with Zelle and Other Payments unless the applicable transaction is transmitted through the ACH network. We are only responsible for delivery of the applicable Payment Instructions to the applicable Payment Network in the format required by the applicable Payment Network's specifications.

### 3. Payment Authorization and Payment Remittance

When you enroll to use the Zelle Payment Service or when you permit others to whom you have delegated to act on your behalf to use or access the Zelle Payment Service, you agree to these Terms. You represent that you have the authority to authorize debits and credits to the enrolled bank account. You agree that you will only use the Zelle and Other Payment Services to request money, send money to known and trusted Receivers, or receive money for legitimate and lawful purposes. You agree that you will not use the Zelle and Other Payment Services to send money to anyone to whom you are obligated for tax payments, payments made pursuant to court orders (including court-ordered amounts for alimony or child support), fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law, and you agree that you will not use the Zelle and Other Payment Services to request money from anyone for any such payments.

The Zelle and Other Payment Services are intended for personal, not business or commercial use. You will not use the Zelle and Other Payment Services to send or receive payments in connection with your business or commercial enterprise.

We reserve the right to decline your enrollment or suspend or terminate your use of the Zelle and Other Payment Services if we believe that you are enrolling to use the Zelle and Other Payment Services with your business account or to receive business or commercial payments. We further reserve the right to suspend or terminate your use of the Zelle Payment Service if we believe that you are using the Zelle Payment Service for business or commercial purposes.

You must provide us with an email address that you regularly use and intend to use regularly (i.e., no disposable email addresses) and a permanent mobile phone number that you intend to use for an extended period of time (i.e., no "burner" numbers). You may not enroll in the Zelle Payment Service with a landline phone number, Google Voice number, or Voice over Internet Protocol.

Once enrolled, you may:

- authorize a debit of your Eligible Account to send money to another User either at your initiation or at the request of that User; and
- receive money from another User either at that User's initiation or at your request, subject to the conditions of the Section below titled "Requesting Payments".

When you enroll with *Zelle*, you may establish one or more profiles. Each profile may be linked to only one bank account, but you may enroll multiple email addresses or mobile phone numbers in each profile. Once you have enrolled an email address or a mobile phone number with a profile, you may not use that same email address or phone number with any other profile. If we allow you to enroll the debit card we issue to you with the Zelle Payment Service, then the debit card must be issued in conjunction with a United States domestic deposit account, not a United States territory-based account.

By providing us with names and mobile telephone numbers, email addresses of known and trusted Receivers to whom you wish to direct payments, you authorize us to follow the Payment Instructions that we receive through the Zelle Payment Service. By providing us with names, bank account information and other contact information for Receivers to whom you wish to direct a payment via the Other Payment Service, you authorize us to follow the Payment Instructions that we receive via the Other Payment Services. Once enrolled, you authorize us to credit your Eligible Account for payments remitted to you on behalf of a Sender without further approval from

you.

When we receive a Payment Instruction from you, you authorize us to debit your Eligible Account for the amount of any such Payment Instruction at the time you initiate the Payment Instruction, and to remit funds on your behalf. You also authorize us to credit your Eligible Account for the receipt of payments, including but not limited to those payments returned to us from Receivers to whom you sent payment(s) and those payments that were cancelled and returned to you because the processing of the Payment Instruction could not be completed.

You agree that we will not be liable in any way for any payments that you may receive, regardless of whether you authorized the Sender to send them to you.

We will use reasonable efforts to complete all your Payment Instructions properly. However, we shall incur no liability if we are unable to complete any transaction because of the existence of any one or more of the following circumstances:

- a. If, through no fault of ours, the Eligible Account does not contain sufficient funds to complete the Payment Instruction or the Payment Instruction would exceed the credit limit of your overdraft account;
- b. The Zelle and Other Payment Services are not working properly and you know or have been advised by us about the malfunction before you execute the Payment Instruction;
- c. The payment is refused as described in Section 8 of the Zelle and Other Payment Terms below;
- d. You have not provided us with the correct information, including but not limited to:
  - i. the correct Payment Instructions or Eligible Account information, or
  - ii. the correct name and address or mobile phone number of the Receiver to whom you are initiating a Payment Instruction; and/or,
  - iii. circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution, or interference from an outside force) prevent the proper execution of the Payment Instruction.

It is the responsibility of the Sender and the Receiver to ensure the accuracy of any information that they enter into the Zelle and Other Payment Services (including but not limited to the Payment Instructions and name, telephone number and/or email address for the Receiver to whom you are attempting to send a payment), and for informing us as soon as possible if they become aware that this information is inaccurate. We will make a reasonable effort to stop or recover a payment made to the wrong person or entity once informed, but we do not guarantee such stoppage or recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by the Sender or Receiver.

If at any time while you are enrolled, you do not send or receive money using the Zelle Payment Service for a period of 18 consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number or email address that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the mobile phone number or email address, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Zelle Payment Service until you enroll again.

#### **4. Payment Amounts**

There are limits on the amount of money you can send or receive through the Zelle and Other Payment Services. Your limits may be adjusted from time-to-time at our sole discretion. You may log in to the Website or the Mobile Application to view your individual transaction limits. We or our Vendor also reserve the right to select the method in which to remit funds on your behalf through the Service, and in the event that your Eligible Account is closed or otherwise unavailable to us the method to return funds to you. These payment methods may include, but may not be limited to, an electronic debit, a paper check drawn on the account of our Vendor, or draft drawn against your account

## 5. Sending Payments

You may send money to another User at your initiation or in response to that User's request for money. You understand that use of the Zelle and Other Payment Services by you shall at all times be subject to:

- a. these Terms, and
- b. your express authorization at the time of the transaction for a us or another Network Financial Institution to initiate a debit or credit entry to your bank account.

You understand that when you send the payment, you will have no ability to stop it. When a Sender initiates a Payment Instruction, the Receiver is not required to accept the payment if the Receiver has not enrolled in *Zelle*. You agree that you as a Sender will not hold us liable for any damages resulting from a Receiver's decision to not enroll in *Zelle*. For the Zelle Payment Service, you may only cancel a payment if the person to whom you sent the money has not yet enrolled in the Zelle Payment Service. As to the Zelle Payment Service, if the person you sent money to has already enrolled with *Zelle*, either in the Zelle Standalone Locations or with a Network Financial Institution, then the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked. Cancellation is addressed more generally as to the Other Payment Services in Section 8 (Payment Cancellation, Stop Payment Requests and Refused Payments for Other Payment Services) below. You may initiate a one-time Payment Instruction to a Receiver for which processing shall be initiated immediately via *Zelle*. Via the Other Payments Services, you may also initiate:

- a. a one-time Payment Instruction to a Receiver for which processing shall be initiated at a later specified date up to one (1) year, and
- b. a recurring series of Payment Instructions to a Receiver for which processing shall be initiated on the specified dates.

Further details about each of these options can be found on the Site.

Payment Instructions initiated to Receivers require you to provide contact information about the Receiver (including an email address and/or mobile telephone number). If the Receiver does not bank at a Network Financial Institution and has not yet enrolled in *Zelle*, then the Zelle Payment Service will contact the Receiver and request that the Receiver

- a. provide information so that the identity of the Receiver may be validated at a Zelle Standalone Location and then
- b. provide Eligible Transaction Account information in order to complete the Payment Instruction (a "Two-Step Transfer").

If the Receiver maintains an Eligible Transaction Account with a Network Financial Institution and has not yet enrolled in *Zelle*, then the Zelle Payment Service will contact the Receiver regarding enrollment in *Zelle* and receipt of payment. If the Receiver has already enrolled in *Zelle*, then the Receiver will receive a message regarding your payment.

Via the Other Payment Services, we also support the sending of money to Receivers if you provide the Eligible Account information for the Receiver and other contact information for the Receiver; such transactions are not sent via *Zelle*. You acknowledge and agree that if your Payment Instructions identify an account by name and account number, the relevant financial institution may execute those Payment Instructions by reference to the account number only, even if such account number does not correspond to the account name. You further acknowledge and agree that financial institutions holding the account may choose to not investigate discrepancies between account names and account numbers. We have no responsibility to

investigate discrepancies between account names and account numbers, outside of our obligations under the law to investigate errors.

In most cases, when you are sending money using the Zelle Payment Service, the transfer will occur in minutes; however, there are circumstances when the payment may take longer.

- For example, in order to protect you, us, *Zelle* and the other Network Financial Institutions, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with *Zelle*, either via a Zelle Standalone Location or a Network Financial Institution, the Zelle Payment Service transfer may take up to two (2) Business Days from the day the intended Receiver responds to the payment notification by enrolling as a User, if you as the Sender have requested delayed delivery and we make delayed delivery available as an option.

If a person to whom you are sending money is not enrolled as a User or may fail to enroll with *Zelle*, or otherwise ignore the payment notification, then the transfer may not occur. The money may also be delayed, or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences (i.e., email, push notification). We have no control over the actions of other Users, other Network Financial Institutions or other financial institutions that could delay or prevent your money from being delivered to the intended User.

For the Other Zelle Payment Services and those Zelle Payment Service payments where the Website or the Mobile Application indicates payment will require more than a Business Day, you understand and agree that when you initiate a Payment Instruction from an Eligible Account, the processing of the Payment Instruction and the debit from your Eligible Account will occur as early as the date that the transaction is initiated. However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Account any earlier than the next Business Day after you initiated the Payment Instruction. As part of the Other Payment Services, if you request

- a one-time Payment Instruction to be initiated on a specified date, or
- a recurring series of Payment Instruction to be initiated on specified dates,

then the processing of the Payment Instruction will begin on the specified date and the debiting of your Eligible Account will occur as early as the specified date(s). However, you and the Receiver should not expect the payment funds to be transferred into the Receiver's Eligible Account any earlier than the next Business Day following the specified date. In addition, in the case of all Two-Step Transfers, the deposit of the payment funds into the Receiver's Eligible Account (even if debited or withdrawn from your Eligible Account) may be delayed if the Receiver has not enrolled in *Zelle*. The Website or the Mobile Application may contain additional information regarding the delivery of a payment to an Eligible Account.

As to Recipients who have not yet enrolled with *Zelle*, you acknowledge and agree that we will begin to process the transfer once the Receiver has provided (or we otherwise obtain) all required information, and you hereby authorize and direct us to retain such funds until the earlier of such time as the Receiver has provided (or we otherwise obtain) all required information or fourteen (14) calendar days have elapsed.

You further acknowledge and agree that our receipt of money to be transmitted to a Receiver shall not be deemed to have occurred and our obligation to complete a Payment Instruction shall not begin until such time as the Receiver provides us with (or we otherwise obtain) all required information necessary to process the related Payment Instruction in accordance with these Terms.

## **6. Receiving Payments**

You authorize other Users to transfer payments to you.

Transfers that we receive from another User on your behalf will be credited to your Eligible Account. All payments received are subject to rules and regulations governing your Eligible Account, and the terms and conditions of the relevant service agreement between the applicable Network Financial Institution and its customer who initiated the transaction.

Once a User initiates a transfer of money to your email address or a U.S. mobile phone number enrolled with the Zelle Payment Service, you have no ability to stop the transfer. Other Payment Service payments may be cancelled by the Sender as set forth in Section 8 (Payment Cancellation, Stop Payment Requests and Refused Payments for Other Payment Services) below. By using the Zelle Payment Service, you agree and authorize us to initiate credit entries to the bank account you have enrolled. If another person wants to initiate a Payment Instruction (including in response to a Zelle Payment Request, if applicable) using the Zelle Payment Service to an Eligible Account you hold or, as applicable, if you as a Requestor want to initiate a Zelle Payment Request, he, she or you can do that from the Site or the Mobile App or from an Eligible Account at a financial institution that participates in the Zelle Payment Service or at a Zelle Standalone Location.

If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both these Terms and the procedures of the business or government agency that is sending you the payment.

For the Zelle Payment Service, most transfers of money to you from other Users will typically occur within minutes. There may be other circumstances when the payment may take longer.

- a. For example, in order to protect you, us, *Zelle* and the other Network Financial Institutions, we may need or *Zelle* may need additional time to verify your identity or the identity of the person sending the money.
- b. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations.

If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your User preferences (i.e., email, text message).

There may be a delay between the time you are notified of the pending Payment Instruction and the deposit of the payment funds into your Eligible Account, and you may be required to take additional steps to facilitate the deposit of the payment into your Eligible Account, such as if we have questions regarding possible fraud in connection with the payment.

You authorize the Sender, the financial institution which holds the Sender's Eligible Account and us (including through the Website) to send emails to you and text messages to your mobile phone in connection with the Sender's initiation of Payment Instructions to you, and, as a Receiver, you may receive Zelle Payment Requests, from others through the Zelle Payment Service.

You acknowledge and agree that in the event that funds are transferred into your Eligible Account from another User are determined to be improper because it was not authorized by the Sender, because there were not sufficient funds in the Sender's account, or for any other reason, then you hereby authorize us or our Vendor to withdraw from your Eligible Account and the full amount of the funds improperly transferred to you.

## **7. Requesting Payments**

You may request money from another User through a Zelle Payment Request.

- a. Users to whom you send payment requests may reject or ignore your request.
- b. Neither we nor *Zelle* guarantee that you will receive money from other Users by sending a Zelle Payment Request.
- c. If a User ignores your request, we may decide or *Zelle* may decide, in our sole discretion, that we will not send a reminder or repeat request to that User.

You also agree that you are not engaging in the business of debt collection by attempting to use the Zelle Payment Service to:

- a. request money for the payment or collection of an overdue or delinquent debt (as a debt collector);
- b. request money that is owed to another person; or
- c. collect any amounts that are owed pursuant to a court order.

You agree to receive Zelle Payment Requests from other Users, and to only send Zelle Payment Requests for legitimate and lawful purposes.

Zelle Payment Requests are solely between the Requestor and recipient and are not reviewed or verified by us or by *Zelle*. Neither we nor *Zelle* assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the Requestor.

We reserve the right, but assume no obligation, to terminate your ability to send Zelle Payment Requests in general, or to specific recipients, if we deem such Zelle Payment Requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

You acknowledge and agree that individuals to whom you send a Zelle Payment Request may not receive, or otherwise may reject or ignore, your Zelle Payment Request. We do not guarantee that you will receive any payments from individuals by initiating a Zelle Payment Request.

## **8. Payment Cancellation, Stop Payment Requests and Refused Payments for Other Payment Services**

Zelle Payment Service payments can only be cancelled in the limited circumstances set forth in Section 3(a) (Sending Payments) above. This Section only applies to the Other Payment Services, not Zelle Payment Services. Through our Website or the Mobile Application, Sender may cancel the initiation of a Payment Instruction or stop a Payment Instruction at any time until the processing of the Payment Instruction into the Receiver's Eligible Account has begun.

Our ability to stop a Payment Instruction or recover funds associated with an unauthorized Payment Instruction will depend on the manner in which the Payment Instruction was initiated, and whether the payment to the Receiver has begun processing.

Although we will make a reasonable effort to accommodate a stop payment request and to recover funds associated with an unauthorized Payment Instruction, we will have no liability for failing to do so. We may also require you to present your stop payment request or request to recover funds in writing within fourteen (14) days after contacting customer care. If we charge you to stop the payment or recover funds, then the charge for each stop payment or fund recovery request will be the current charge as set out in our current fee schedule.

Payments not claimed by a Receiver who has not enrolled in *Zelle* will be automatically cancelled fourteen (14) calendar days after the processing of the payment begins. We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied payment to your Eligible Account or use other reasonable efforts to return such payment to you as permitted by law.

## 9. Zelle and Other Payment Services Termination, Cancellation, or Suspension

If you wish to cancel the Zelle and Other Payment Services, you may contact us as set forth in Section VII OTHER TERMS AND CONDITIONS. Any payment(s) that have begun processing before the requested cancellation date will be processed by us. You agree that we may terminate or suspend your use of the Zelle and Other Payment Services at any time and for any reason or no reason. Neither termination, cancellation nor suspension shall affect your liability or obligations under this Agreement.

## 10. Consent to Emails and Automated Text Messages.

By participating as a User, you represent that you are the owner of the email address, mobile phone number, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner of such email address, mobile phone number and/or other alias to send or receive money as described these Zelle and Other Payment Terms. You consent to our disclosure of your personal information (including bank account information) to *Zelle*, other Network Financial Institutions and other third parties as necessary to complete payment transactions in accordance with our customary processes and procedures. You consent to the receipt of emails or text messages from us, from *Zelle*, from other Users that are sending you money or requesting money from you, and from other Network Financial Institutions or their agents regarding the Zelle and Other Payment Services or related transfers between Network Financial Institutions and you. You agree that we may, *Zelle* may or either of our agents may use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. By providing us with a telephone number (including a wireless/cellular, mobile telephone number and/or email address), you consent to receiving calls from us and our Vendors at that number INCLUDING THOSE MADE BY USE OF AN AUTOMATIC TELEPHONE DIALING SYSTEM ("ATDS"), and/or emails from us for our everyday business purposes (including identity verification). You acknowledge and agree that such telephone calls include, but are not limited to, live telephone calls, prerecorded or artificial voice message calls, text messages, and calls made by an ATDS from us or our Affiliates and you further acknowledge and agree:

- a. You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees.
- b. You will immediately notify us if any email address or mobile number you have enrolled is (i) surrendered by you, or (ii) changed by you.
- c. In the case of any messages that you may send through either us or *Zelle* or that we may send or *Zelle* may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the Receiver of such emails or automated text messages to send such emails or text messages to the Receiver. You understand and agree that any emails or text messages that we send or that *Zelle* sends on your behalf may include your name.
- d. Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or *Zelle*, including messages that you may send through us or through *Zelle* or that we may send or *Zelle* may send on your behalf.
- e. Your phone service provider is not the provider of the Zelle and Other Payment Services. Users of the Zelle Payment Service will receive text messages relating to their Payment Instructions and other notices from time to time if a mobile phone number is provided. Data and messaging charges from your telecommunications provider may apply, and you are responsible for any such charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised.

## **11. Refused Payments**

We reserve the right to refuse to pay any Receiver. We will attempt to notify the Sender promptly if we decide to refuse to pay a Receiver designated by the Sender. This notification is not required if you attempt to make a prohibited payment under these Terms.

## **12. Returned Payments**

In using the Zelle and Other Payment Services, you understand that Receivers may reject Payment Instructions or otherwise return payments only if the Receiver is not enrolled in *Zelle*. We will use reasonable efforts to complete Payment Instructions initiated through the Zelle and Other Payment Services.

## **13. Remedies**

If we have reason to believe that you have engaged in any of the prohibited or unauthorized activities described in this Agreement or have otherwise breached your obligations under this Agreement, we may terminate, suspend or limit your access to or use of the Website or the Mobile Application, or the Zelle and Other Payment Services; notify law enforcement, regulatory authorities, impacted third parties, and others as we deem appropriate; refuse to provide our services to you in the future; and/or take legal action against you. In addition, we, in our sole discretion, reserve the right to terminate this Agreement, access to the Website or the Mobile Application and/or use of the Zelle and Other Payment Services for any reason or no reason and at any time. The remedies contained in this Section are cumulative and are in addition to the other rights and remedies available to us under this Agreement, by law or otherwise.

## **14. Prohibited Payments**

You agree that you are independently responsible for complying with all applicable laws in all of your activities related to your use of the Zelle Payment Service, regardless of the purpose of the use. The following types of payments are prohibited, and we have the right - but not the obligation - to monitor for, block, cancel, and/or reverse such payments:

- a. Payments to or from persons or entities located in prohibited territories (including any territory outside of the United States); and
- b. Payments that violate any law, statute, ordinance or regulation; and
- c. Payments related to gambling, gaming and/or any other activity with an entry fee and a prize, including, but not limited to, casino games, sports betting, horse or dog racing, lottery tickets, other ventures that facilitate gambling, games of skill (whether or not it is legally defined as a lottery) and sweepstakes; and
- d. Payments relating to transactions that (1) support pyramid or Ponzi schemes, matrix programs, other "get rich quick" schemes or multi-level marketing programs, (2) are associated with purchases of real property, annuities or lottery contracts, lay-away systems, off-shore banking or transactions to finance or refinance debts funded by a credit card, (3) are for the sale of items before the seller has control or possession of the item, (4) constitute money-laundering or terrorist financing, (5) are associated with the following "money service business" activities: the sale of traveler's checks or money orders, currency dealers or exchanges, or check cashing, or (6) provide credit repair or debt settlement services; and
- e. Tax payments and court ordered payments.

Except as required by applicable law, in no event shall we or our Vendors be liable for any claims or damages resulting from your scheduling of prohibited payments. We encourage you to provide notice to us by the methods described in Section VII Other Terms and Conditions of any violations of the General Terms or the Agreement generally.

## 15. Information Authorization

Your enrollment in Zelle may not be fulfilled if we cannot verify your identity or other necessary information. Through your enrollment in or use of the Zelle and Other Payments Services, you agree that we reserve the right to request a review of your credit rating at our own expense through an authorized bureau. In addition, and in accordance with our Privacy Policy, you agree that we reserve the right to obtain personal information about you, including without limitation, financial information and transaction history regarding your Eligible Account. You further understand and agree that we reserve the right to use personal information about you for our and our Vendors' everyday business purposes, such as to maintain your ability to access the Service, to authenticate you when you log in, to send you information about the Service, to perform fraud screening, to verify your identity, to determine your transaction limits, to perform collections, to comply with laws, regulations, court orders and lawful instructions from government agencies, to protect the personal safety of subscribers or the public, to defend claims, to resolve disputes, to troubleshoot problems, to enforce this Agreement, to protect our rights and property, and to customize, measure, and improve the Zelle and Other Payments Services and the content and layout of the Site. Additionally, we and our Vendors may use your information for risk management purposes and may use, store and disclose your information acquired in connection with this Agreement as permitted by law, including (without limitation) any use to effect, administer or enforce a transaction or to protect against or prevent actual or potential fraud, unauthorized transactions, claims or other liability. We and our Vendors shall have the right to retain such data even after termination or expiration of this Agreement for risk management, regulatory compliance, or audit reasons, and as permitted by applicable law for everyday business purposes. In addition, we and our Vendors may use, store and disclose such information acquired in connection with the Zelle and Other Payments Services in statistical form for pattern recognition, modeling, enhancement and improvement, system analysis and to analyze the performance of the Zelle and Other Payments Services.

- a. Mobile Subscriber Information. You authorize your wireless carrier to disclose information about your account, such as subscriber status, payment method and device details, if available, to us and our Vendors to support identity verification, fraud avoidance and other uses in support of transactions for the duration of your business relationship with us. This information may also be shared with other companies to support your transactions with us and for identity verification and fraud avoidance purposes.
- b. Device Data. We may share certain personal information and device-identifying technical data about you and your devices with third party service providers, who will compare and add device data and fraud data from and about you to a database of similar device and fraud information in order to provide fraud management and prevention services, which include but are not limited to identifying and blocking access to the applicable service or Web site by devices associated with fraudulent or abusive activity. Such information may be used by us and our third-party service providers to provide similar fraud management and prevention services for services or Web sites not provided by us. We will not share with service providers any information that personally identifies the user of the applicable device.

## 16. Wireless Operator Data

In addition to Section 15 (Information Authorization), you acknowledge that *Zelle* may use information on file with your wireless operator to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of the Service. By using the Zelle Payment Service, you authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to use your mobile number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status details, if available, solely to allow verification of your

identity and to compare information you have provided to us or to *Zelle* with your wireless operator account profile information for the duration of our business relationship. See *Zelle's* Privacy Policy at <https://www.zellepay.com/privacy-policy> for how it treats your data.

## **17. Liability**

Subject to our obligations under applicable laws and regulations, neither we nor *Zelle* shall have any liability to you for any such transfers of money, including without limitation, (i) any failure, through no fault of us or *Zelle* to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor *Zelle* shall be liable for any typos or keystroke errors that you may make when using the Zelle Payment Service. THE ZELLE PAYMENT SERVICE IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND PEOPLE WITH WHOM YOU ARE FAMILIAR. YOU SHOULD NOT USE ZELLE TO SEND MONEY TO PERSONS THAT YOU DO NOT TRUST. SUBJECT TO OUR OBLIGATIONS UNDER APPLICABLE LAWS AND REGULATIONS, YOU AGREE THAT YOU, NOTWE OR ZELLE, ARE RESPONSIBLE FOR RESOLVING ANY PAYMENT OR OTHER DISPUTES THAT YOU HAVE WITH ANY OTHER USER WITH WHOM YOU SEND MONEY TO, OR RECEIVE OR REQUEST MONEY FROM, USING THE ZELLE PAYMENT SERVICE. ZELLE DOES NOT OFFER A PROTECTION PROGRAM FOR AUTHORIZED PAYMENTS MADE THROUGH THE ZELLE PAYMENT SERVICE (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED).

## **18. Disclaimer of Warranties**

EXCEPT AS OTHERWISE PROVIDED HEREIN, AND SUBJECT TO APPLICABLE LAW, ZELLE MAKES NO EXPRESS OR IMPLIED WARRANTIES, REPRESENTATIONS OR ENDORSEMENTS WHATSOEVER WITH RESPECT TO THE ZELLE PAYMENT SERVICE. ZELLE EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, WITH REGARD TO THE ZELLE PAYMENT SERVICE. ZELLE DOES NOT WARRANT THAT THE ZELLE PAYMENT SERVICE WILL BE UNINTERRUPTED, TIMELY, SECURE OR ERROR-FREE, OR THAT DEFECTS WILL BE CORRECTED. THE ZELLE PAYMENT SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS.

## **19. Limitation of Liability**

EXCEPT AS OTHERWISE PROVIDED HEREIN AND SUBJECT TO APPLICABLE LAW, IN NO EVENT WILL WE, ZELLE, ITS OWNERS, DIRECTORS, OFFICERS, AGENTS OR NETWORK FINANCIAL INSTITUTIONS BE LIABLE FOR ANY DAMAGES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO ANY DIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY OR OTHER INDIRECT DAMAGES ARISING OUT OF (I) ANY TRANSACTION CONDUCTED THROUGH OR FACILITATED BY THE ZELLE PAYMENT SERVICE; (II) ANY CLAIM ATTRIBUTABLE TO ERRORS, OMISSIONS, OR OTHER INACCURACIES IN THE ZELLE PAYMENT SERVICES DESCRIBED OR PROVIDED, (III) UNAUTHORIZED ACCESS TO OR ALTERATION OF YOUR TRANSMISSIONS OR DATA, OR (IV) ANY OTHER MATTER RELATING TO THE ZELLE PAYMENT SERVICES DESCRIBED OR PROVIDED, EVEN IF WE OR ZELLE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IF YOU ARE DISSATISFIED WITH THE ZELLE PAYMENT SERVICE OR WITH THE TERMS OF THESE TERMS, YOUR SOLE AND EXCLUSIVE REMEDY IS TO DISCONTINUE USING THE ZELLE PAYMENT SERVICES. IN THOSE STATES WHERE THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES MAY NOT APPLY, ANY LIABILITY OF OURS, ZELLE, ITS OWNERS, DIRECTORS, OFFICERS AND AGENTS OR THE NETWORK FINANCIAL INSTITUTIONS LIABILITY IN THOSE STATES IS LIMITED AND

WARRANTIES ARE EXCLUDED TO THE GREATEST EXTENT PERMITTED BY LAW, BUT SHALL, IN NO EVENT, EXCEED ONE HUNDRED DOLLARS (\$100.00).

## **20. Indemnification**

You acknowledge and agree that you are personally responsible for your conduct while using the Zelle Payment Service and except as otherwise provided in these Terms, you agree to indemnify, defend and hold harmless *Zelle*, its owners, directors, officers, agents and Network Financial Institutions from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorneys' fees, resulting from or arising out of your use, misuse, errors or inability to use the Zelle Payment Service, or any violation by you of the terms of these Terms.

## **21. Zelle Release**

You release us and our Affiliates and Vendors and the employees and contractors of each of these, from any and all claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way connected with any dispute that may arise between you or one or more other users of the Site or the applicable Zelle and Other Payment Services. In addition, if applicable to you, you waive California Civil Code §1542, which states that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if not known by him must have materially affected his settlement with the debtor.

## **F. Bill Pay**

### **1. Consent to the Terms of this Agreement**

By using the Ally Bank Bill Pay Service (the "Service" or "Bill Pay"), you agree to the terms of this Agreement.

### **2. Eligibility for Bill Pay**

The Service enables you to receive, view and pay bills. To use the Service, you must have an Ally Bank Online Checking Account in good standing (an "Eligible Account"). In addition, subject to the terms of this Agreement, you may only use the Service for personal, family or household purposes. You cannot use it for or on behalf of any business, partnership, corporation, proprietorship, organization, or other entity.

### **3. Joint Accounts**

If the Eligible Account is a joint account, you and any joint owner consent to our disclosing all information concerning any bill payments, completed, pending, and scheduled, to any joint owner. A joint owner may use the same Eligible Account for his or her individual use of the Service. Each owner of the Eligible Account is jointly and severally liable for all obligations incurred by the other owner's use of the Service. Each owner must individually enroll in the Service and, if so enrolled, each owner will have a separate Payee list and payment history.

### **4. Payment Authorization**

When setting up Payees and payments in Bill Pay, you must provide us with information on your Payee accounts. You must make sure this information is accurate and complete, and you agree to update it as necessary to keep it accurate and complete. We will use this information to facilitate your use of the Service, and for accessing Payee websites on your behalf.

By providing us with names and account information of Payees to whom you wish to direct payments, you authorize us to follow the payment instructions that we receive from you. In order to process payments more efficiently and effectively, we may edit or alter payment data or data formats in accordance with Payee directives.

There are limits to the amounts you can pay. The Bill Pay screens will notify you if you attempt to exceed a limit. Your limits may be adjusted from time-to-time at our sole discretion. You may log in to the Service to view your individual transaction limits. We also reserve the right to select the method in which to remit funds on your behalf through the Service, and in the event that your Eligible Account is closed or otherwise unavailable to us the method to return funds to you. These payment methods may include, but may not be limited to, an electronic or paper check or draft payment.

We have no obligation to notify you if we cannot complete a payment because there are not sufficient available funds in your Eligible Account to process the payment. In that case, you are responsible for making alternative payment arrangements.

You may make payments to anyone in the United States, including its territories. Payments to Payees outside the United States are prohibited.

You may not use Bill Pay to make payments on behalf of a third party. If you do so, we have the right to terminate your use of Bill Pay.

## **5. Scheduling a Payment**

We will display the earliest possible Scheduled Payment Date for each of your Payees (typically at 10:00 p.m. Eastern Time four (4) or fewer Business Days from the current date) when you are scheduling the payment. Some cut-off times may be earlier, and all cut-off times will be displayed for each Payee. Therefore, you cannot select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Payee. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Payee's billing statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late payment date or grace period. Depending on the method of payment, your Eligible Account may be debited prior to the Scheduled Payment Date. For example, if the selected method of payment is a check, we will create a check known as a Laser Draft and send it to the Payee. If the check arrives earlier than the Scheduled Payment Date due to faster than expected delivery by the postal service, and the Payee immediately deposits the check, your Eligible Account may be debited earlier than the Scheduled Payment Date. In some cases, we may issue a check drawn on an account of our Vendor to make a payment on your behalf.

## **6. The Service Guarantee**

Due to circumstances beyond our control, particularly delays in the handling and posting of payments by Payees, some transactions may take longer to be credited to your account with the Payee. We will be responsible for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the *Scheduling a Payment* Section of this Agreement above.

## **7. Authorization to Debit the Eligible Account**

By instructing us to make a payment, you authorize us to debit your Eligible Account and remit the funds on your behalf to the Payee so that the funds arrive as close as reasonably possible to

the Scheduled Payment Date. You also authorize us to credit your Eligible Account for payments returned to us as undeliverable by the United States Postal Service or by the Payee as not posted, or for payments remitted to you by another person.

## **8. Payment**

You agree that you will initiate a bill payment only when there is (or will be) sufficient available funds in your Eligible Account at the time your payment is scheduled to be made. If there are not enough funds available to complete the payment, we or our Vendor may either (a) complete the payment by advancing funds on your behalf or (b) refuse to complete the payment, without regard to whether we may have previously established a pattern of honoring or dishonoring such payments. In either case, we reserve the right to impose an overdraft fee paid or an overdraft returned item fee in accordance with our deposit agreement. You agree to pay any fees we may impose, which may vary depending on the action we take. Any negative balance on your Account, or the amount of any advance of funds, is immediately due and payable, unless we agree in writing, and you agree to reimburse us and our Vendor for any expenses incurred in recovering any monies due and owing, including reasonable attorney fees, expenses and any overdraft fee paid, or overdraft returned item fees.

At our option, if there are insufficient funds in your Bill Pay Eligible Account on the Scheduled Delivery Date, we may, in our discretion, attempt to debit such payment on a later Business Day. This may result in additional overdraft fees or other expenses.

If our Vendor advances funds on your behalf to complete a payment for which there are not enough funds in your account, you will immediately owe repayment of the amount of the advance directly to our Vendor. Either we, our Vendor, or our Vendor's collection agency or attorney may contact you to notify you of the advance and your immediate obligation to repay it to the Vendor.

You agree to immediately repay the amount of any advance made by our Vendor on your behalf to complete a payment for which there are not enough funds in your account by following the instruction of Ally Bank or our Vendor. We or our Vendor may instruct you to repay the advance by depositing adequate funds in your Bill Pay Eligible Account, in which case, we will transfer those funds to repay our Vendor on your behalf. Alternatively, we or our Vendor may instruct you to make the required repayment directly to our Vendor.

We may suspend your access to the Service if you owe money to us or to our Vendor for an advance made on your behalf. We and our Vendor are authorized to report the facts concerning the debt to any consumer reporting agency.

Our Vendor is a third-party beneficiary of your obligation to repay the amount of any advance made by the Vendor for the purpose of completing a payment.

Whether or not any advance is made or repaid, you are obligated directly to Ally Bank for the amount of our overdraft fees or other expenses in the event that your account does not have sufficient funds to complete a payment.

Either we or our Vendor, or both, may contact you regarding your requested bill payments, any advance made to complete a payment, or your repayment of any advance.

## **9. Prohibited Payments**

You agree that you are independently responsible for complying with all applicable laws in all of your activities related to your use of the Bill Pay services, regardless of the purpose of the use. The following types of payments are prohibited, and we have the right - but not the obligation - to monitor for, block, cancel, and/or reverse such payments:

- a. Payments that violate any law, statute, ordinance or regulation
- b. Payments that violate the terms in the Agreement,
- c. Payments that impose an unreasonable or disproportionately large load on our infrastructure,
- d. Tax payments and court ordered payments.
- e. Unlawful internet gambling transactions or other unlawful activity.
- f. Transactions that would result in payments to beneficiaries listed on the Specially Designated National lists from the U.S. Department of Treasury,
- g. A payment that would violate (or cause Ally Bank to violate) any economic sanctions laws or regulations of the United States, including those issued by the Office of Foreign Asset Control of the U.S. Department of the Treasury, Executive Order of the President, or a directive of the U.S. Department of Treasury.

In no event shall we or our Vendors be liable for any claims or damages resulting from your scheduling of prohibited payments. We have no obligation to research or resolve any claim resulting from a prohibited payment. All research and resolution for any misapplied, mis-posted or misdirected prohibited payments will be your sole responsibility and not ours.

## **10. Collection and Attorney Fees and Costs**

If we or our Vendor advance funds on your behalf to complete a payment for which there are not sufficient funds in your account to reimburse us or our Vendor for the payment, you will immediately repay us or our Vendor for the amount advanced. Either we or our Vendor may contact you to notify you of the advance and your immediate obligation to repay it to us or our Vendor. If you do not immediately repay the amount owed, you agree to pay all collection agency fees and costs and/or attorney's fees and court costs if we or our Vendor refer your obligation to repay to a collection agency and/or an attorney for collection.

## **11. Limitation on the Liability of the Service**

We will attempt to make all your payments properly. However, we shall incur no liability and our Service Guarantee (as described above) shall be void if we are unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

- a. If, through no fault of ours, your Eligible Account does not contain sufficient available funds to complete the transaction;
- b. Our vendor's payment processing center is not functioning properly, and you know or were advised by us about the malfunction or issue before you execute the transaction;
- c. You have not provided us with the correct Eligible Account information, or the correct name, address, phone number, or account information for the Payee; and/or,
- d. Circumstances beyond our control (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and we and our vendor have taken reasonable precautions to avoid those circumstances.

Provided that none of the foregoing exceptions are applicable, if we cause an incorrect amount of funds to be removed from your Eligible Account or cause funds from your Eligible Account to be directed to a Payee which does not comply with your payment instructions, we will be responsible for returning the improperly transferred funds to your Eligible Account, and for directing to the proper Payee any previously misdirected transactions, and, if applicable, for any late payment related charges up to \$50.00.

## 12. Payment Cancellation Requests

You may cancel or edit any scheduled payment (including recurring payments) by following the directions shown on our website. There is no charge for canceling or editing a scheduled payment. Once we have begun processing a payment it cannot be cancelled or edited; therefore, a stop payment request must be submitted.

## 13. Stop Payment Requests

Our ability to process a stop payment request on a Bill Pay check will depend on the payment method and whether or not a check that has been issued has been finally paid. We may also not have a reasonable opportunity to act on any Bill Pay stop payment request after a Bill Pay payment has been processed. If you desire to stop any Bill Pay payment that has already been processed, you must contact the Ally Bank Contact Center as soon as possible. Although we will attempt to accommodate your request, we will have no liability for failing to do so. We may also require you to present your request to stop a Bill Pay payment in writing within fourteen (14) days of any oral request. The charge for each stop payment request will be the current charge for such service as set out in our Service Fee Chart.

## 14. Exception Payments Requests

“Exception Payments” are payments to deposit accounts or brokerage accounts, payments to settle securities transactions (including without limitation stocks, bonds, securities, futures (forex), options, or an investment interest in any entity or property), tax payments and court ordered payments. Exception Payments may be scheduled through the Service; however, Exception Payments are discouraged and must be scheduled at your own risk. In no event shall we be liable for any claims or damages resulting from your scheduling of Exception Payments. Exception Payments are not covered by the late payment portion of the Service Guarantee. We have no obligation to research or resolve, or honor any claim resulting from an Exception Payment.

## 15. Bill Delivery and Presentment (eBills)

The Service includes a feature that electronically presents you with electronic bills (called “eBills”) from people or entities that send you invoices or bills (“Billers”). Electronic bills may not be available from all of your Billers. Electronic bills are provided as a convenience only, and you remain solely responsible for contacting your Billers directly if you do not receive their statements. Only one electronic bill will be provided for a jointly owned Eligible Account. In addition, if you elect to activate one of our electronic bill options, you also agree to the following:

- a. Presentation of electronic bills. You will receive electronic bills from a Biller only if both: (a) you have designated it as one of your Billers, and (b) the Biller has arranged with us or our vendor to deliver electronic bills. We may then present you with electronic bills from that Biller if either (1) you affirmatively elect to receive electronic bills from the Biller, or (2) the Biller chooses to send you electronic bills on a temporary “trial basis.” In either case, you can elect to stop receiving electronic bills from a Biller. Electing to receive electronic bills, automatically receiving trial electronic bills, and declining further elected or trial electronic bills all occur on an individual Biller basis. We do include an option to prevent ever participating in the automatic trial electronic bill feature. When affirmatively electing to receive electronic bills from a particular Biller, you may be presented with terms from that Biller for your acceptance. We are not a party to such terms.
- b. Paper Copies of electronic bills. If you start receiving electronic bills from a Biller, the Biller may stop sending you paper or other statements. The ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. Check with the individual Biller regarding your ability to obtain paper copies of electronic bills on a regular or as-requested basis.

- c. Sharing Information with Billers. You authorize us to share identifying personal information about you (such as name, address, telephone number, Biller account number) with companies that you have identified as your Billers and which we have identified as offering electronic bills for purposes of matching your identity on our records and the Biller's records to (a) activate your affirmative request for electronic bills, and/or (b) confirm your eligibility for "trial basis" electronic bills.
- d. Information held by the Biller. We are unable to update or change your personal information such as, but not limited to, name, address, phone numbers and email addresses, that is held by the Biller. Any changes will require you to contact the Biller directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. We may, at the request of the Biller, provide to the Biller your email address, service address, or other data specifically requested by the Biller, for purposes of the Biller matching your identity against its records or informing you about the Biller's services and/or bill information.
- e. Activation. We will notify the Biller of your request to receive electronic billing information. The presentation of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.
- f. Authorization to obtain bill data. You authorize us to obtain bill data from your Billers that you have requested to send you electronic bills, and from your Billers that wish to send you trial electronic bills. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.
- g. Notification. We will attempt to present all of your electronic bills promptly. In addition to notification within the Service, we may send an email notification to the email address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
- h. Cancellation of electronic bill notification. The Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. We will notify your Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.
- i. Non-Delivery of electronic bill(s). You agree to hold us harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.
- j. Accuracy and dispute of electronic bill. We are not responsible for the accuracy of your electronic bill(s). We are only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be directly addressed and resolved with the Biller by you.

This Agreement does not alter your liability or obligations that currently exist between you and your Billers.

## **16. Disclosure of Account Information to Third Parties**

It is our general policy to treat your account information as confidential. However, we or our Vendor will disclose information to third parties about your account or the transactions you make in the following situations either pursuant to our Privacy Policy or in the following circumstances:

- a. Where it is necessary for completing transactions;
- b. Where it is necessary for activating additional services;
- c. In order to verify the existence and condition of your account to a third party, such as a credit bureau or a Payee or Biller;
- d. To a consumer reporting agency;
- e. To a collection agency;
- f. In order to comply with a governmental agency or court orders; or,
- g. If you give us your written permission.

## **17. Service Fees and Additional Charges**

You are responsible for paying all fees associated with your use of the Service. Any applicable fees will be disclosed on our website, in our Online Banking Services Agreement and/or within our Ally Bank Deposit Agreement. There may also be charges for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the amount of the fee from your Eligible Account.

## **18. Payee Limitation**

We reserve the right to refuse to pay any Payee to whom you may direct a payment. We will notify you promptly if we decide to refuse to pay a Payee designated by you. This notification is not required if you attempt to make a prohibited payment as set forth in the *Prohibited Payments* Section below or an Exception Payment under this Agreement.

## **19. Returned Payments**

You understand that Payees and/or the United States Postal Service may return payments to us for various reasons such as, but not limited to (a) Biller's forwarding address expired; (b) the account number you provided is not valid; (c) the Payee is unable to locate your account; (d) or the account is paid in full. We will attempt to research and correct the returned payment and return it to your Payee or void the payment and credit the payment amount back to your Eligible Account. You may or may not receive notification from us about a returned payment.

## **20. Authorization to Obtain Financial and Other Information**

You agree that we have the right to obtain financial and other information regarding you and your accounts at any Payee (for example, to resolve payment posting problems or for verification).

## **21. Termination of Bill Pay**

We may, at our sole discretion, terminate your use of the Service without prior notice. If we terminate your use of Bill Pay, some of your online bill payment information may be deleted, such as pending and recurring payments and eBills and are your sole responsibility. If you decide to stop using the Service, we strongly suggest that you cancel all future bill payments at the same time, either by deleting those payments yourself or by calling Ally Bank at 877-247-2559. This will ensure that future payments made by you will not be duplicated.

## **G. Payment Services Shared Terms (Zelle and Bill Pay)**

## **1. Third-Party Service Providers (“Vendors”)**

We use one or more unaffiliated third-party service providers (referred to as “Vendors”) to act on our behalf in maintaining, servicing and processing payment instructions related to Zelle and Other Payment Services and Bill Pay. However, we are the sole party liable to you and any third party for any payments or transfers conducted using the Zelle and Other Payment Services or Bill Pay. All of our Vendors are required to implement appropriate measures to protect the privacy and security of your non-public personal information. You agree that you are independently responsible for complying with all applicable laws in all of your activities related to your use of the Service, regardless of the purpose of the use, and for all communications you send through the Service. We and our Vendors have the right but not the obligation to monitor and remove communications content that we find in our sole discretion to be objectionable in any way. In addition, you are prohibited from using the Service for communications or activities that: (a) violate any law, statute, ordinance or regulation; (b) promote hate, violence, racial intolerance, or the financial exploitation of a crime; (c) defame, abuse, harass or threaten others; (d) include any language or images that are bigoted, hateful, racially offensive, vulgar, obscene, indecent or discourteous; (e) infringe or violate any copyright, trademark, right of publicity or privacy or any other proprietary right under the laws of any jurisdiction; (f) impose an unreasonable or disproportionately large load on our infrastructure; (g) facilitate any viruses, trojan horses, worms or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or information; (h) constitute use of any robot, spider, other automatic device, or manual process to monitor or copy the Service or the portion of the Site through which the Service is offered without our prior written permission; (i) constitute use of any device, software or routine to bypass technology protecting the Site or Service, or interfere or attempt to interfere, with the Site or the Service; or (j) may cause us or our Vendors to lose any of the services from our internet service providers, payment processors, or other vendors. ## **8. Failed or Returned Payment Instructions**

In using Bill Pay and/or Zelle and Other Payment Services, you are requesting that we or our Vendor attempt to make payments for you from your Eligible Account. If the Payment Instruction cannot be completed for any reason associated with your Eligible Account (for example, there are insufficient funds in your Eligible Account, or the Payment Instruction would exceed the credit or overdraft protection limit of your Eligible Account, to cover the payment), the Payment Instruction may or may not be completed. In certain circumstances, our Vendor may either advance funds drawn on their corporate account or via an electronic debit, and in such circumstances will attempt to debit the Eligible Account a second time to complete the Payment Instruction. In some

instances, you will receive a return notice from us or our Vendor. In each such case, you agree that:

- a. You will reimburse our Vendor immediately upon demand the amount of the Payment Instruction if the payment has been delivered but there are insufficient funds in, or insufficient overdraft credits associated with, your Eligible Account to allow the debit processing to be completed;
- b. You may be assessed a late fee equal to one and a half percent (1.5%) of any unpaid amounts plus costs of collection by our Vendor or their third-party contractor if the Payment Instruction cannot be debited because you have insufficient funds in your Eligible Account, or the transaction would exceed the credit or overdraft protection limit of your Eligible Account, to cover the payment, or if the funds cannot otherwise be collected from you. The aforesaid amounts will be charged in addition to any NSF charges that may be assessed by us, as set forth in your fee schedule from us (including as disclosed on the Site) or your account agreement with us. ## **I. Ally Skill Terms and Conditions**

The following terms govern your use of the Ally Skill (the “**Skill**”) on Amazon’s Alexa service on any Alexa-enabled device (“**Alexa**”). It applies in addition to, and is not intended to, replace, any other agreement that may apply in connection with your deposit account, investment account, auto loan account, or residential mortgage loan account (“**Account**”), or the use of the Skill.

In addition, the terms of the Ally documents, including but not limited to the Deposit Agreement, Online Banking Services Agreement, and Privacy Policy apply to your use of the Skill, and all rights and responsibilities contained in these documents will apply to your use of the Skill and the Alexa service.

Before using the Skill, please ensure that you have read and are familiar with these terms and any agreements referenced above as they relate to your accounts with us. Your use of the Skill constitutes your acceptance of these terms.

### **1. Linking and Delinking the Skill:**

To use the Skill, you must have an Amazon account. You can link the Skill to your Alexa-enabled device by following the process on [www.ally.com/alexa](http://www.ally.com/alexa). We will confirm your identity through the use of a One Time Passcode (“OTP”) which will be sent to you as a method to complete the verification and establish your access. If you determine that you no longer wish to retain the Skill, please follow the delink process located on [www.ally.com/alexa](http://www.ally.com/alexa).

### **2. Third-Party Security Settings:**

The Skill is voice activated. Your voice is only used to activate Alexa’s features and is not used to authenticate you are the owner of the account. Once you set up your device with the Skill, you are authorizing us to provide information to the device based on the device’s security settings. For example, the settings on your device may allow the device to retrieve information about your Account(s) based on only verbal requests from anyone who accesses your device, or to save information about your Account(s) for easier access. It is possible that someone other than you could interact with us via the Skill, or that someone could overhear you interacting with us via the Skill and learn information about your Account(s). By enabling the Skill on your Alexa-enabled device, you are responsible for how the Skill is used (including any communication to or from us from your device). You understand that it is your obligation to utilize the Device safely and correctly.

### **3. Account(s) Inquiries:**

The Skill provides access for you to request certain information about your Account(s) with us. The inquiries available are the same information you can access through the website or our mobile app. Inquiries may not be available for all Account(s) that you may have with us. We reserve the right to add, discontinue or amend the type of inquiries permitted through the Skill.

### **4. Account(s) Transactions:**

The Skill may enable you to perform certain transactions for your Account(s) with us. You understand that certain transactions will require you to provide a Passcode which must contain

six (6) numbers. You must create this Passcode prior to initiating the first transaction. This Passcode is created by you and unique to your Account(s). We will not be able to provide you with your Passcode if you forget it. You understand that it is your responsibility to ensure that your Passcode is kept in a secure location and you do not share your Passcode. When you use Alexa to initiate transactions between your Account(s), you understand that you are authorizing us to initiate transactions on your behalf as if you were initiating a transaction through our website, [www.ally.com](http://www.ally.com). We reserve the right to add, discontinue or amend the type of transactions permitted through the Skill.

#### **5. Release of Your Information to Amazon:**

Your interactions with us via the Skill are subject to the Ally Privacy Policy. By installing the Skill, you are authorizing us to perform the actions and/or share with Amazon the information communicated to us, or requested from us. In order for us to provide you with the requested information, it needs to be sent from us to Amazon and is thereafter supplied to you. For example, if you request that Alexa tell you your balance on your Ally checking account, you authorize us to release that information to Amazon.

#### **6. Contacting You:**

We may seek your constructive feedback on the Skill, including problems you encounter, aspects that work well, and suggestions for improving it. You agree that Ally may email you from time to time about your experience with the Skill.

#### **7. Changes or Amendments:**

We may change, suspend, or discontinue the Skill, or any part of it, at any time without notice. We may amend any of these terms at our sole discretion by posting the revised terms on our Website. Your continued use of the Skill after the effective date of the revised terms constitutes acceptance of the terms.

#### **8. Termination:**

Your rights under these terms will automatically terminate without notice if you fail to comply with any of its terms. In case of such termination, we may immediately revoke your access to the Skill. You must therefore immediately cease all activities available with the Skill, and you must immediately delete or remove the Skill from all electronic devices.

#### **9. Technology Support:**

We do not provide technical or any other support for the Skill. If such support is provided in exceptional circumstances, it will be provided in addition to any normal support for your Account(s). You hereby agree to abide by any support rules and policies put into place. You agree that any claims that you may have with respect to the Skill, and your usage of the Skill, must be brought against Amazon and/or Alexa and not against us.

#### **10. Disclaimer of Warranty:**

You acknowledge and agree that all use of the Skill is at your sole risk. YOU ASSUME ALL RISK FOR YOUR USE OF THE SKILL, THAT IT IS PROVIDED "AS IS", AND THAT ALLY MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED. ALLY EXPRESSLY DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM ALLY, OR THROUGH OR FROM THE SKILL, WILL CREATE ANY WARRANTY OF ANY KIND.

If you do not comply with these terms, and we incur any costs, loss, claims, expenses and other liabilities which result from your non-compliance, including a resultant breach by us of our obligations to Amazon and/or Alexa, you agree to reimburse us for any such costs, loss, claims, expenses and other liabilities, including any legal costs involved with the defense of any claim brought against us due to your non-compliance with these terms. This is in addition to any other specific remedies that we have in these terms or under the law generally.

We hereby exclude any liability for any direct, indirect, punitive or consequential loss or damage that you may incur in connection with your use or inability to use the Skill, Alexa and/or your Account, including, without limitation any damage to electronic devices, any liability for loss of income or revenue, loss of business, loss of profits or contracts, loss of anticipated savings, loss of data, loss of goodwill, and any other loss or damage of any kind, whether foreseeable or not.

#### **11. Trademark Information:**

Ally trademarks and graphics used in connection with the Skill are the property of Ally. All other trademarks and graphics used are the property of their respective owners.

#### **12. Intellectual Property Rights:**

You acknowledge that all intellectual property rights in the Skill and Alexa, the technology, and the Account(s), belong to Ally or to our licensors, that rights in the Skill are licensed (not sold) to you and that you have no rights in, or to, the Skill, or the technology other than the right to use each of them in accordance with these terms. You acknowledge that you have no right to have access to the Skill in source code form. You may not, and you will not encourage, assist or authorize any other person to copy, modify, reverse engineer, decompile or disassemble, or otherwise tamper with, the Skill or the Alexa Software, whether in whole or in part, or create any derivative works from or of the Skill or Alexa Software.

#### **13. Geographic Restrictions:**

You may access and use Alexa only in the United States. We may restrict access to Alexa from other locations.

#### **14. General Terms:**

We can transfer all or any of our rights and legal responsibilities under these terms without your permission provided any warranties are not affected. Your rights and duties under this Agreement apply only to you and cannot be transferred to any other person without our written permission. If we don't enforce any part of these terms at any time, this will not stop us from doing so in the future. If any of these terms are found not to be valid or cannot be enforced in full or in part, the rest of the terms will continue to apply as normal.

#### **15. Electronic Eligible Account Statements**

Eligible Account statements are available online to Primary Owners. Statement delivery preferences can be managed in online banking. With respect to CMG Checking Accounts, if the Primary Owner elects to receive Account statements online only, they waive the provision of their CMG Deposit Agreement that requires delivery of Account statements through the mail.

#### **J. Text Messages, Calls and/or Emails to You**

By providing us with a telephone number (including a wireless/cellular, mobile telephone number and/or email address), you consent to receiving calls from us and our Vendors at that number and/or emails from us for our everyday business purposes (including identify verification). You

acknowledge and agree that such telephone calls include, but are not limited to, live telephone calls, prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system from us or our affiliates, Vendors and agents. #### **E. Software and Mobile Services Limitations**

1. Neither we nor our Vendors can always foresee or anticipate technical or other difficulties related to the Software. These difficulties may result in a loss of data or personal settings and preferences, dropped connections, disabled features, or other Mobile Services interruptions. Should this happen, review your transaction status to verify the status of any attempted transaction when you return to an area with wireless coverage or where you have access to a computer (or contact us at 877-247-2559). Neither we nor any of our Vendors assumes responsibility for the timeliness, deletion, misdelivery, or failure to store any user data, communications, or personalization settings in connection with your use of the Software, nor do we or our Vendors assume any responsibility for any disclosure of account information to third parties as a result of the action or inaction of you or your wireless telecommunications provider.

3. You agree to exercise caution when using the Mobile Services on your Eligible Mobile Device and to use good judgment and discretion when obtaining or transmitting information.
4. Information about your online banking activity is synchronized between the Software and the Website. Information (including transfer information) available via the Software may differ from the information that is available directly through the Website. Information available directly through the Website may not be available via the Software, may be described using different terminology, or may be more current than the information available via the Software, including but not limited to account balance information. The method of entering instructions via the Software also may differ from the method of entering instructions through the Website.
