

and Man-made Mishaps

DuPont puts science to work by creating sustainable solutions essential to a better, safer, healthier life for people everywhere. Operating in more than 70 countries, DuPont offers a wide range of innovative products and services for markets including agriculture, nutrition, electronics, communications, safety and protection, home and construction, transportation and apparel.

Here's how DuPont puts science to work for your vehicle!

- **DuPont™ Paint Protector**

DuPont™ Paint Protector chemically bonds cross linking agents to the exterior painted surface of your vehicle which provides additional protection and durability to the painted surfaces.

- **DuPont™ Fabric Protector**

DuPont™ Fabric Protector seals the fabric making it easier to clean up spills, and helping to extend the life of your vehicles carpet and fabric seats.

- **DuPont™ Leather Protector**

DuPont™ Leather Protector chemically bonds cross linking agents to your leather and vinyl surfaces to help protect and extend the life of your vehicles leather and vinyl.

LEATHER PROTECTOR

PROTECTED.

Vehicles' paint finishes are challenged every day to resist oxidation, fading and loss of gloss. To help maintain your vehicle's appearance and shine, the DuPont™ Paint Protector provides additional protection against:

- Bird Droppings
- Tree Sap
- Insect Damage
- Acid Rain
- Road Salt
- Helps Protect in High Temperatures

As vehicles are being used much more often, upholstery fabric and carpets are exposed to more spills, splatters and everyday mishaps. DuPont™ Fabric Protector will help provide protection against everyday staining and discoloration caused by:

- Coffee
- Soda
- Milk
- Tea
- Grape Juice
- Chocolate
- Helps Protect in High Temperatures

While leather and vinyl are known for their durability, even these surfaces are not immune to wear and tear. DuPont™ Leather Protector creates a barrier to help protect against stains, premature aging, cracking and fading due to such things as:

- Coffee
- Soda
- Milk
- Tea
- Grape Juice
- Chocolate
- Helps Protect in High Temperatures
