

Pre-owned SmartLease Quick Reference Guide

Ally Floorplan Dealers and All Maserati Dealers (with and without Ally Floorplan)

Eligible Pre-owned Vehicles

All pre-owned vehicles listed in the Residual Value Lease Guide (RVLG) are eligible for SmartLease. These vehicles must also be OEM Certified Pre-Owned or certified through an approved non-OEM Certified Pre-Owned program with a clean vehicle history report. See the General Information section of the RVLG for Used Vehicle eligibility rules.

Pre-owned Vehicle Residuals

Dealers will use the Residual Value amount for pre-owned vehicles which are published in the RVLG.

Note: Residual values will be published in a dollar amount, not in a percentage like new.

Aftermarket Products

Ally will only purchase a lease that includes an approved Aftermarket Product, see the Ally Quick Links for Dealer Use for a complete list.

Note: SmartLease Protect/Select is not eligible on pre-owned vehicle lease transactions.
