I/We hereby authorize Ally Invest Securities LLC and its agents (collectively, "Ally Invest") to initiate credit entries and debit entries between my/our Ally Invest account and the above stated depository institution. I/We further authorize adjustments (if necessary) for any entries in error and to credit and/or debit the same between accounts. I/We further agree that anyone using the user ID associated with my/our Ally Invest account is authorized to initiate transfers to or from the bank account listed above.

I/We acknowledge and agree that I/we are bound by, and that the origination of ACH transactions to my/our account must comply with, the provisions of applicable United States federal and state laws, the National Automated Clearing House Association Operation Rules and Guidelines, and the Terms & Conditions of my/our Customer Agreement with Ally Invest. I/We agree to confirm identification of the account at the time of the initial credit entry to such account and to notify Ally Invest immediately if an incorrect entry is posted to the account.

I/We understand that I/we or Ally Invest may terminate this Authorization at any time. This Authorization is to remain in effect until Ally Invest has received written or electronic notification from me/us of its termination. This must be done in such time and manner as to afford Ally Invest and my/our depository institution a reasonable opportunity to act on my/our instructions. This Authorization may also be terminated by Ally Invest in the same manner. I/We understand the Authorization will be processed after the receipt of this application, and that I/we will receive notification when ACH is ready to be validated.

By clicking on "I Agree" below, I/we are certifying under penalty of perjury that a) the bank account information and my/our Ally Invest account information is correct, b) that I/we have not been notified that this account is subject to backup withholding, c) that all funds credited to, or debited from, the account are my/our funds and that the account shall not be used for funds belonging to any third party, d) that I/we are of legal age to give this authorization, (e) that no other person is required to give authorization for a withdrawal from the bank account or Ally Invest account listed above, (f) there are no limitations on amount or type of a deposit or withdrawal that may occur from the bank account, and (g) that I/we are the authorized signer(s) on this account.

Notwithstanding the foregoing certifications, in the event that more than one person is required to authorize withdrawals from the bank account listed above, by clicking on "I Agree" below, I/we agree that only one person shall be required to authorize any subsequent ACH withdrawal request for transfer to my/our Ally Invest account via the Ally Invest website, and each of us irrevocably appoints the other as attorney-in-fact to take all action on his or her behalf and to represent the other in all matters with respect to authorizing ACH withdrawal requests for transfer of funds from the bank account listed above to my/our Ally Invest account via the Ally Invest website.
